

Make a Cat-in-the-Hat Hat

You will need:

- Red and White Construction Paper
- A pencil
- Scissors Tape, glue, or a stapler

1. Take a piece of red construction paper that will go around your head and glue some strips of white construction paper onto it in this pattern.

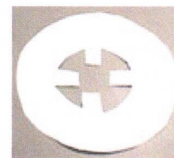

2. Then form the paper into a tube that will fit around your head.

3. Trace a circle using the paper tube onto a red or white piece of construction paper. Then draw a larger circle around that one, and draw tabs on the inside of the inner circle.

4. Cut out the outside and inside of the circle with the tabs

5. Attach the tabs to the bottom of your paper tube to make a brim for your hat.

6. Wear your hat and read a Dr. Seuss book!
